The drawing shows a cross-section of a road and a landscape design. On the left, a road cross-section is shown with a hatched area on the left and a hatched area on the right. The road surface is marked with a double-headed arrow and the number 42.04. Below the road surface, there is a layer labeled 41.58. To the right of the road, there is a blue line representing a water feature or a boundary. Five trees are shown in a row, each with a brown trunk and a green, rounded canopy. The trees are planted in a row along the blue line.
