

36 P.K. 1.43710

This diagram shows a cross-section of a road and its drainage system. The road surface is represented by a light blue line. Below the road, there is a drainage ditch or culvert, shown as a series of vertical rectangular sections. The ditch is filled with a light blue material, likely gravel or crushed stone. On the left side of the road, there is a row of green trees. On the right side, there is a single green tree. The ground level is indicated by a black line. The diagram is labeled '36 P.K. 1.43710' at the top right.
