

The diagram illustrates a cross-section of a road with a 10% longitudinal slope. The road surface is shown as a horizontal line on the left, sloping downwards to the right. A wheel track of 1.78m width is indicated by a blue double-headed arrow. The diagram includes a table of elevations and a vertical scale on the right.

Point	Elevation (m)
Left Edge	11.40
Left Shoulder	8.29
Left Slope	7.36
Left Slope	7.32
Left Slope	7.27
Left Slope	7.18
Left Slope	7.17
Left Slope	7.20
Left Slope	7.25
Left Slope	7.37
Left Slope	7.22
Left Slope	7.17
Left Slope	7.20
