The diagram shows a cross-section of a road and its surroundings. On the left, there is a road with a blue line representing the 'vaste bodem' (fixed ground) and a red line representing the 'slibbodem' (sludge ground). A blue double-headed arrow indicates the 'kruinbreedte (m)' (road width) with a value of 0.00. A red vertical line indicates the 'as dwarsprofiel' (road cross-section). To the right of the road, there is a vertical line with 'x' marks representing the 'Prikkelraad' (fence) and a vertical line with dots representing the 'Draadafsluiting' (wire closure). Further right, there is a hatched area representing the 'Gebouw' (building) and a green line with circles representing the 'Haag' (hedge). A green tree icon represents the 'Boom' (tree).
