Diagram illustrating a cross-section of a road and its surroundings. The road is in the center, with a blue line for the 'vaste bodem' (fixed ground) and a red line for the 'slibbodem' (sludge bottom). The road width is labeled 'kruinbreedte (m)' with a value of '0.00'. To the left of the road is a 'Draadafsluiting' (wire closure) and to the right is a 'Prikkel draad' (stake wire). Further right is a 'Gebouw' (building) and a 'Haag' (hedge). A 'Boom' (tree) is also shown.
