Diagram illustrating a cross-section of a road or embankment structure. The central element is the **as dwarsprofiel** (asphalt cross-section), which is flanked by **vaste bodem** (solid ground) on the left and **gebouw/kunstwerk** (structure/artwork) on the right. A blue double-headed arrow above the central section indicates a width or distance of **0.00**. A red line is positioned above the right side, and a vertical line is positioned below the central section. The bottom right corner is labeled **afsluiting algemeen** (general closure).
