

DWARSPROFIELPLAN

Opgemeten in: 1999

Opgemeten volgens bestek: L 4000 S 0001 G

Diagram illustrating the relationship between ground level, building level, and ground profile:

- vaste bodem** (solid ground) is at **0.00**.
- gebouw/kunstwerk** (building/artwork) is shown below the ground level.
- kruinbreedte (m)** (slope width) is the horizontal distance between the ground level and the building/artwork.
- as dwarsprofiel** (as cross-section) is shown with a vertical line and a cross symbol ($\times$) indicating the building level.
- afsluiting algemeen** (general closure) is indicated by the cross symbol ($\times$).
