Diagram illustrating the cross-section of a building foundation and its connection to the ground and structure.

- vaste bodem** (fixed ground) is indicated by a horizontal line.
- 0.00** is the reference level, marked by a blue double-headed arrow.
- kruinbreedte (m)** (width in meters) is the dimension of the foundation, marked by a red horizontal line.
- gebouw/kunstwerk** (building/structure) is the structure above the foundation, marked by a vertical line with two asterisks.
- as dwarsprofiel** (as cross-section) is the profile of the foundation, marked by a vertical line.
- afsluiting algemeen** (general closure) is the general closure of the structure, marked by a vertical line with two asterisks.
