

DWARSPROFIELPLAN

Diagram illustrating the cross-section of a building foundation and structure. The diagram shows a vertical line representing the foundation wall, with a horizontal line at the top representing the ground surface. A blue double-headed arrow labeled '0.00' indicates the ground level. To the right of the foundation wall, a red horizontal line represents the building structure. Below the foundation wall, a vertical line with two asterisks at the bottom represents the general closure.

Symbol	Label
