DWARSPROFIELPLAN

08401_Oostpolderkreek_2814, Dwarsprofiel 076

Diagram illustrating a cross-section of a road or embankment. The central part is labeled "as dwarsprofiel" (road cross-section). The width of the road surface is indicated as "kruinbreedte (m)" with a value of "0.00". The left side is labeled "vaste bodem" (firm ground), and the right side is labeled "slibbodem" (soft ground). The right side is also labeled "afsluiting algemeen" (general closure). The road surface is flanked by a "gebouw/kunstwerk" (structure/artwork) on the left and a "afsluiting algemeen" (general closure) on the right.
