

Dwarsprofiel_320

DWARSPROFIELPLAN

The diagram shows a cross-section of a water body with several layers and labels. From top to bottom, the layers are:

- beginpunt begroeiing** (start point of vegetation): Indicated by a green circle on the left and a blue double-headed arrow labeled 0.00 above it.
- kruinbreedte (m)** (width of the water body): Indicated by a red line on the right.
- gebouw** (building): Indicated by a red line on the right.
- vaste bodem** (solid bottom): Indicated by a red vertical line in the center.
- as dwarsprofiel** (axis of cross-section): Indicated by a purple line on the right.
- afsluiting algemeen** (general closure): Indicated by a purple line on the right.
- slibbodem** (mud bottom): Indicated by a grey line on the left.
