DWARSPROFIELPLAN

Opgemeten in: 2003

Opgemeten volgens bestek: WAT/L 2003 S 001

The diagram illustrates a cross-section of a water body with several layers and markers. On the left, a green circle marks the 'beginpunt begroeiing' (start of vegetation). A blue double-headed arrow indicates a width of '0.00' for the 'kruinbreedte (m)' (crown width in meters). A pink 'X' marks the 'afsluiting' (closure). The layers are labeled as follows: 'vaste bodem' (solid bottom) represented by a light blue line, 'as dwarsprofiel' (as cross-section) represented by a red dashed line, and 'slibbodem' (mud bottom) represented by a grey line, with 'kunstwerk' (structure) indicated below it.
