

Dwarsprofiel_60

DWARSPROFIELPLAN

The diagram illustrates a cross-section of a building or structure, showing various layers and dimensions. The layers are labeled from top to bottom: beginpunt begroeiing (green circle), vaste bodem (cyan line), and slibbodem (black line). The dimensions are labeled from left to right: kruinbreedte (m) (blue line with 0.00), as dwarsprofiel (red line), and afsluiting algemeen (magenta line). The building/kunstwerk is shown as a red line on the right side.

Layer	Dimension	Value
beginpunt begroeiing	kruinbreedte (m)	0.00
vaste bodem	as dwarsprofiel	
slibbodem	afsluiting algemeen
