

Dwarsprofiel_7

DWARSPROFIELPLAN

The diagram illustrates a cross-section of a building or structure, showing various layers and dimensions. The layers are labeled from top to bottom: beginpunt begroeiing (green circle), vaste bodem (cyan line), and slibbodem (black line). The dimensions are labeled from left to right: kruinbreedte (m) (blue line with 0.00), gebouw/kunstwerk (red line), and afsluiting algemeen (magenta line). A vertical red line with a dot in the middle is labeled as as dwarsprofiel.

Layer	Dimension
beginpunt begroeiing	kruinbreedte (m)
vaste bodem	gebouw/kunstwerk
slibbodem	afsluiting algemeen
