The figure is a cross-section profile of a waterway. The top line represents the ground level (VASTE BODEM) in cyan. Below it, the water level (AS WATERLOOP) is shown as a black line. The profile includes a bridge structure (Kunstwerk 6800_41) with a central pier and two side piers. The bridge has a total width of 8.03m. The water level is 0.71m above the ground level on the left and 0.95m above the ground level on the right. The bridge structure has a height of 0.96m. The water level is 0.28m above the ground level on the left and 0.28m above the ground level on the right. The bridge structure has a height of 0.96m. The water level is 0.28m above the ground level on the left and 0.28m above the ground level on the right. The bridge structure has a height of 0.96m.
