= HAAG

The figure shows a cross-section profile of a waterway. The profile is defined by a cyan line representing the 'VASTE BODEM' (fixed bed) and a black line representing the 'SLIBBODEM' (sludge bed). The profile is divided into sections by vertical lines. The right side of the profile shows a structure labeled 'Kunstwerk 6944_41' with two circular openings. Dimensions and elevations are provided for various points along the profile.
