The figure is a cross-section profile of a riverbed. The top part shows a line graph with a cyan line representing the ground surface and a black line representing the riverbed. The riverbed has several points marked with green circles. A red vertical line is drawn at the center of the riverbed. Below the graph is a table with four rows: VASTE BODEM, SLIBBODEM, TUSSENAFSTAND, and KUMULAFSTAND. The table contains numerical data for each segment of the profile.
