slibbodem

The figure is a cross-section profile of a riverbed. The horizontal axis represents distance, and the vertical axis represents elevation in meters. The profile shows a series of vertical lines representing the riverbed's cross-section. A red vertical line labeled 'MOLENBEEK' is positioned in the center. The profile includes a cyan line for the 'vaste bodem' (solid ground) and a black line for the 'slibbodem' (silt bottom). Various features are marked, including buildings, walls, and vegetation points.
