The figure is a cross-section profile of a riverbed, labeled 'MOLENBEEK' in red text. The profile shows a series of vertical lines representing the riverbed's elevation at various points. The elevation is indicated by a cyan line, and the distance between points is shown in a table below the profile. The profile starts at an elevation of 39.56m on the right and decreases to a minimum of 37.16m in the center, then rises to 39.09m on the left. The distance between points is shown in a table below the profile, with values ranging from 0.16m to 4.83m. The total distance is 17.85m.
