The figure is a cross-section profile of a ditch. The vertical axis represents elevation in meters. The horizontal axis represents distance. The profile shows a ditch with a central channel. The terrain is represented by a solid line, and the bed is represented by a dashed line. The ditch is labeled 'MOLENBEEK' in red. The profile shows a slight dip in the center, with the bed elevation reaching a minimum of -0.60 m. The terrain elevation at the center is 37.28 m. The profile is divided into sections by vertical lines, with the width of each section indicated in the table below.
