The figure is a cross-section profile of a landscape. A red vertical line marks the center of a water feature labeled 'MOLENBEEK'. The ground level is shown as a cyan line, and the bed level is shown as a black line. The profile is divided into sections by vertical lines. The elevations at the boundaries of these sections are listed in the table below. The distance between the sections is also listed. The total distance from the leftmost section to the rightmost section is 8.99 meters.
