The figure is a cross-section profile of a landscape. A red vertical line labeled "MOLENBEEK" is positioned in the center. The profile shows the ground level (cyan line) and the bed level (black line). Various features are marked: a building (hatched rectangle), a wall (hatched rectangle), a Pad (dashed line), a street name (line with a perpendicular tick), a vegetation point (green dot), and a bed level (black line). The profile is divided into sections by vertical lines.
