The figure shows a cross-section profile of a landscape. The ground surface is represented by a cyan line, and the bottom layer is a black line. Various features are marked: a wall (hatched rectangle), a hedge (line with crosses), a ditch (line with dots), a stream (red line labeled MOLENBEEK), a path (dashed line labeled Pad), and a building (rectangle). The profile is divided into sections by vertical lines. The stream MOLENBEEK is located in the center-right of the profile.
