The figure is a cross-section profile of a landscape. A red vertical line in the center is labeled 'MOLENBEEK'. The profile shows a series of vertical lines representing buildings and walls. The terrain is represented by a blue line. The ground level is shown as a black line. The profile is divided into sections by vertical lines. The elevation of the terrain is given in meters (m) at the bottom of the profile. The ground level is also given in meters (m) at the bottom of the profile. The distance between the sections is given in meters (m) at the bottom of the profile. The cumulative distance is given in meters (m) at the bottom of the profile.
