The figure is a cross-section profile of a waterway. The horizontal axis represents distance, and the vertical axis represents elevation in meters. The profile shows a central waterway with a water level indicated by a red line labeled 'MOLENBEEK'. The terrain is shown as a cyan line, and the water level is shown as a red line. Various structures are indicated by vertical lines and symbols, including walls, vegetation, and buildings. The profile is divided into sections by vertical lines, with elevation data provided for each section.
