vaste bodem

slibbodem

The figure is a cross-section profile of a waterway. The top line represents the 'vaste bodem' (fixed bed) in cyan, and the bottom line represents the 'slibbodem' (mud bed) in black. The profile is divided into 18 vertical sections by black lines. The first section on the left is a wide, flat area. The second section shows a slight dip. The third section is a wide, flat area. The fourth section shows a slight dip. The fifth section shows a slight dip. The sixth section shows a slight dip. The seventh section shows a slight dip. The eighth section shows a slight dip. The ninth section shows a slight dip. The tenth section shows a slight dip. The eleventh section shows a slight dip. The twelfth section shows a slight dip. The thirteenth section shows a slight dip. The fourteenth section shows a slight dip. The fifteenth section shows a slight dip. The sixteenth section shows a slight dip. The seventeenth section shows a slight dip. The eighteenth section shows a slight dip. The profile ends with a slight rise.
