The figure shows a cross-section profile of a ditch. The top line (cyan) represents the 'vaste bodem' (firm ground) and the bottom line (black) represents the 'slibbodem' (sludge bed). The ditch is marked with a pink line and has a pink circle at the bottom center. A pink box labeled '705/111' is located above the ditch. The profile is divided into 16 vertical sections by black lines. Below the profile is a table with four rows: BODEMPEIL, SLIBBODEM, CUMULAFSTAND, and TUSSENAFSTAND. The data in the table corresponds to the profile above it.
