vaste bodem

slibbodem

The figure shows a cross-section profile of a ditch. The top line represents the ground level (vaste bodem) in cyan, and the bottom line represents the ditch bottom (slibbodem) in black. The ditch is located in the center of the profile. Various features are marked along the profile, including buildings (pink hatched rectangles), fences (red lines with 'x' marks), and concrete posts (red squares). The profile is divided into sections by vertical lines, with elevation data provided for each section. The elevation data is presented in a table below the profile.

BODEMPEIL	33.53	33.46	33.31	33.16	33.07	33.04	32.96	31.53	31.18	31.43	33.49	33.02	33.08	33.18	33.06	33.32	33.57
