vaste bodem

slibbodem

The figure is a cross-section profile of a waterway. The top part shows a cyan line for the 'vaste bodem' (fixed bed) and a black line for the 'slibbodem' (mud bed). The profile includes several vertical lines representing structures or boundaries. A red vertical line is present near the center. A red symbol (a square with an 'X') is located on the right side of the profile. Below the profile is a table with four rows: BODEMPEIL, SLIBBODEM, CUMULAFSTAND, and TUSSENAFSTAND. The table contains numerical data for each section of the profile.
