The figure is a cross-section profile plan. The top part shows a terrain profile with a cyan line for 'vaste bodem' (firm ground) and a black line for 'slibbodem' (sludge ground). A building is shown in pink with diagonal hatching. A red line with 'x' marks indicates a fence. A green rectangle indicates a hedge. A pink box with '778/071' is located above the building. Below the profile is a table with four rows: BODEMPEIL, SLIBBODEM, CUMULAFSTAND, and TUSSENAFSTAND. The table has 24 columns corresponding to the profile segments.
