Technical drawing of a roof section. The drawing shows a cross-section of a roof with a circular feature (possibly a vent or pipe) in the center. The roof is divided into sections by vertical lines. Dimensions are provided for the roof slope and the circular feature. The text "Niet te meten" (Not to be measured) is written on the left side. The circular feature has a diameter of $\varnothing 0.90$ and a height of 13.72. The roof slope is indicated by a dimension of 3.124. The roof sections are labeled with values: 14.11, 14.16, 14.12, and 14.13. A red vertical line is drawn through the center of the circular feature.
